

LOUISIANA

PORT ALLEN LMA CIVIL PROJECT

**LOCATION:**

Port Allen, LA

COMPLETION:

December 2021

Primoris Industrial & Civil has been awarded part of Air Liquide's project for the construction of a Large Modular Air Separation Unit (LMA). This plant will be operated by Air Liquide Large Industries U.S., LP, in Port Allen, LA. Scope of work includes installation of U/G electrical grounding, installation of U/G Piping (firewater, storm water, gray water system and cooling water), and installation of foundations and road/paving/pipe culverts.
